

Illinois - Current Pricing	
	March*
Average Monthly Variable Price*	0.1211

**Average based on the electricity supply prices that will be charged to our Illinois customers on variable price plans in the current bill cycle, and includes customers receiving both promotional and non-promotional pricing. Prices are estimated, and may change based on customers' actual usage and other factors.*

Note: Our current and historical prices are not an indicator of our future prices and we do not guarantee any savings. Your price may be higher or lower than the above. For more information on your price, please call 800-274-5289.
